NOTES: A Bay Named Sioux "Freight Train" is a 2011 bay gelding that's stands 15'2". Freight Train is big, pretty and very gentle. Freight Train has proven himself in multiple disciplines such as heading, steer roping, ranching and even babysitting the kids on the rodeo trail. Freight Train scores like a rock, runs hard, stout on the horn and has an excellent finish. If you get mad at your heelers and throw your team roping sucker in the dirt, don't worry you can take him to the steer roping! On the ranch he has done it all- drags calves, doctor whatever you need, catching wild cattle and babysitting the youngest of cow kids.

Would be a good step up horse for a high school or college roper. Would best fit a #5 header and up. A really good horse to ride outside of the arena as well. He has seen lots of miles outside. NOTES: Pepper is a true dual ender. He has been hauled and won on heading and heeling. Most of all Pepper just makes it easy. He scores, runs, rates, and faces with the best of them. On the back end he has a huge stop. He will go all day and gives you the same run without getting hot. This horse is very broke and a pleasure to be around. Pepper is ready to haul and take you to the pay window at either end. Grandson of 13 Million Dollar Sire COLONELS SMOKING GUN.

PERFORMANCE RECORD: Earner of \$8,909 & 24.5 AQHA Heading points: 3rd, 2019 ARHFA Wprld Championship Roping Futurity Limited Open Heading; 3rd, 2020 Summer ARHFA Limited Open Heading; top 10, 2019 AQHA World Show Jr Heading; Open ROM.

NOTES: One Lil Cracker is built right from the ground up!. Big footed, stout boned, short backed, with a powerful hip yet still has a feminine head and profile. She's exceptional on the head side being quiet and solid in the box, has speed and rate with a snappy solid face. Cade Rice trained and showed her the past two years at the AQHA horse shows and local jackpots. She's suitable for any level roper whether it's an open/high number like Cade or her owner Cassie Silveira has also roped on her in low number jackpots and Amateur AQHA shows. She's been used to gather yearlings and branded on making a well rounded quiet mare who is enjoyable to be around. She would make any level roper an exceptional addition to their string!
