2017 Bay Mare

NOTES: Designed Ta Fire aka "Ember" is a very special and gorgeous 5 year old mare that is looking for her new person. She is the whole package. Has the brains and beauty, phenomenal breeding and has the athletic ability to be a star. She's sired by the GREAT Slick By Design and out of a 1D mare. This is Embers futurity year and she is showing a lot of talent. Currently being entered in the barrel racing. She is roping live cattle on the heel side and break away. This mare can go in any direction! She LOVES to run and has never had an issue at the gate. Will finish as more of a push style horse. Ember is very level headed and fancy broke. She would do well with an intermediate rider or a pro rider. No maintenance. Stands around 15'2 hands. Ember is just starting her career! I have no doubt that she will continue to accomplish big things. I can go on and on about this horse! You can run and rope on her now then breed her later. Don't miss out on a once in a life time horse. (509) 759-5904.

All you have to do is point and kick. He clocks best in a big open pen. He rides around at home with his head down like an old rope horse. No bad habits going into the gate. PERFORMANCE RECORD: \$1,000: 4th, SWST RCHA Pre-Futurity TX Bred Non-Pro Incentive.

NOTES: You will look a long time to find one as broke as this mare. She is a trained cowhorse (winner of the reined work at pre-futurity in Fort Worth). Dakota Kirchenschlager has been riding her for the last several months and he feels like she has a great future in the roping futurities as a heel and breakaway horse. Dakota would love to keep her in training and show her in the futurities. (940) 372-0386.
