He has also been started on the poles, heeling, and breakaway as well as done all aspects of ranch work.. To head on he has plenty of speed- you definitely aren't going to get outrun! He has a nice move in the corner and faces great. Corona has been hauled to quite a few jackpots headed on by a #5 and a #7+. He is a lot of horse and would probably fit a #5 and up best! Salty stands 15 hands and has a good sized hoof and bone, comes with a full set of clean radiographs. A really soft loper, with a lead change, he will plus his turn around and can stop! A \$\$ winner himself!! Which is why he is a staple in the roping pen, hauled to rodeos and ropings as a head, heel and breakaway horse. Salty is compact built to steal a start at the world series ropings- has the run to keep up with the big boys and can throttle down in an instant. He does not have to be ridden daily to take his job seriously, he is there when you need him. Of course, he is also an outstanding ranch horse, one you can step off and doctor a cow on as well, and been branded on. Is very broke and rides in the bridle and off your legs. Side passes to open and close gaits. Rides out quiet if alone or in a group of horses and always walks home. On the trails, he will put his head down and go right where he is pointed. Crosses creeks daily when moving cattle so you water obstacles will be no issue here. Has also been shown in Ranch horse classes and he will score high in all portions. Salty has always sound and UTD on worming, dental and farrier. Son of **PG DRY FIRE** (1998). NOTES: Johnny is one of the prettiest most well-rounded horses I've been around! He is an outstanding ranch horse as well as a head/heel horse! Gentle and quiet enough that my wife has learned to rope on him. I have rode him in the opens and 15's! He's carried the kids through all the play date events and he is the one I pick for them when they want to go help me gather cattle. It's hard for me to say enough good about this horse he's competitive and gentle enough for the whole family. Sound and solid in every way and most importantly he is safe he will take care of whoever is on his back regardless of experience. He is done every aspect of ranch work with myself and the kids using him. He's been to plenty of jackpots and rodeos always the same horse in town as he is at home great in the box plenty of run for whatever roping you want to enter and will always give you a shot to get to the pay window. 15.1 hands tall. 254-485-2883

Boons Streakinbanker

NOTES: This is an outstanding gelding from a great background. Purchased as a yearling, this horse has been broke and ridden from start to finish by Wade and Monty Lewis. Used extensively at the ranch and in the feedyard, there's nothing that can't be done on this horse. Roped on extensively outside and started in the arena originally as a calf horse, providing an ideal foundation for a functionally correct head horse. Trained in the heading by JoJo Lemond. Very talented, he is sired by proven producer Streakin Boon Dox, the 2011 AQHA World Champion Heeling Horse and the 2011 Overall High-Point Horse of the Year, trained and shown by J.D. Yates. Streakin Boon Dox passes great bone, conformation, speed and athletic ability to his offspring, and "Brown Sugar" is no exception. He is out of a mare by the famous Frenchmans Guy, who needs no introduction. He scores phenomenal, is extremely honest, and is very user friendly. Open caliber head horse, and at the same time willing and mature enough for any mid number header. Ready to go and win on anywhere. This gelding has been ridden extensively outside and in a working feed yard. He has sorted cattle in pens and alleys. You can rope anything outside on him. He has been started both roping calves with Monty Lewis and heading steers with Jojo Lemond. Will be shown in the roping preview. 817-999-5665.
